FROM FABBS

NIH AND THE SCIENCE OF SCIENCE AND INNOVATION POLICY WORKSHOP

Please consider attending the "NIH and the Science of Science and Innovation Policy" workshop to be held on **April 7 - 8, 2016**, in the **NIH Natcher Conference Center**. The workshop is jointly organized by the NSF Science of Science and Innovation Policy (SciSIP) program and the NIH Office of the Director.

THANK YOU DR. MCCARTHY

Dear Elizabeth,

I wanted to circle back to you, as President of SBN, to let you know that Peg McCarthy's presentation to the NIH Behavioral and Social Sciences Research Coordinating Committee went very well! In fact, a former colleague, Peter Kaufmann (NHLBI), commented that Peg's presentation was "absolutely fascinating" and "one of the best that this group has ever heard." There were representatives from 18 NIH Institutes, Centers, and Offices participating (either in the room or on the phone). Although Peg is funded through two Institutes, I am hoping that the presentation will lead to a broader understanding -- and interest -- in this research throughout NIH.

Dr. Margaret McCarthy (right) with Drs. Nancy Desmond (left) and Jim Gnadt at her recent presentation to the NIH.
